RELATED VOLUNTEER ACTIVITIES

Vice President/Public Relations Officer

January 2020 – May 2021

MSU Computer Club

Montclair, NJ

- Led four technical workshops to groups of 5 to 30 students
- Drafted and sent out weekly announcements for over 30 of the organization's events
- Wrote captions for, edited, and uploaded over 20 videos for the organization's YouTube channel
- Helped organize a virtual meetup for Digital Ocean's Hacktoberfest, which is a global hackathon held annually in October that promotes contributing to open-source projects on GitHub

Organizer

October 2020 – November 2020

HawkHack Mini

Montclair, NJ

- Led a technical workshop to a group of around 10 students
- Drafted and sent out announcements for the event
- Helped manage the event's virtual venue

RELATED PROJECTS

Developer Portfolio Website

October 2021 – November 2021

- Built a website to list professional information about me, notable projects, resume, and contact information
- Use Bootstrap to enhance the appearance of the website and use jQuery to simplify JavaScript code

Notes App

November 2020

- Created an Android app to create, read, update, and delete notes from the device's local storage
- Presented the source code of the app to the MSU Computer Club in a technical workshop

Restaurant Automation System

January 2020 – May 2020

- Worked in a team of four to develop a full-stack software system that automates the functions of a restaurant
- Modeled a Firebase cloud database to hold the attributes of the restaurant
- Developed an Android app to allow employees to log in and manage the database
